Offered at
\$319,000**

Updated Victorian home boasts original woodwork, beautiful hardwood floors, pocket and French doors, custom stained glass and many upgrades! Entertain on cold winter nights in front of the wood-burning (gas starter) fireplace with antique mantel in the spacious family room; in the warm weather you can gather friends and family in the fenced backyard with large patio, in-ground pool and gorgeous professionally landscaped perennial gardens.

This charming home features a formal living room in addition to the family room, a formal dining room, 3 bedrooms, 2 full baths – one with double sink and separate shower, sitting room or parlor, and a loft is included in the master bedroom. Keep toasty or cool, depending upon the weather with zoned gas forced air heat and central air conditioning.

Everything is sunny and bright due to the abundance of windows and skylights. The partial basement is finished with a glass block bar and wine cabinet.

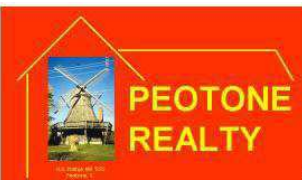

A concrete drive takes you to the 2 car detached garage, including automatic opener with transmitters. All appliances and extras stay with the home; including: double oven, range, dishwasher, washer, dryer, trash compactor, water softener, CO detectors, ceiling fans and sump pump. Circuit breakers have also been installed already!

Everything is here and waiting for you to make this YOUR home! Call Today!!
